Re: WT Docket No. 01-309
Hearing Aid Compatibility Report

Dear Ms. Dortch,

Great Western Cellular Holdings, L.L.C. ("GWCH"), is the licensee of cellular license WPSJ612 in the Minnesota 11 – Goodhue RSA. GWCH is a small, cellular provider that is a "carrier's carrier" and exclusively provides roaming services. As GWCH does not provide any "handsets offerings" of any sort, it meets the *de minimis* exemption to the Hearing Aid Compatibility rules described in Section 20.19(e)(1) of the Commission's rules. Out of an abundance of caution, GWCH is submitting this report pursuant to the requirements of paragraphs 89-91 of the Commission's Report and Order, WT Docket No. 01-309, FCC 03-168, released August 14, 2003. By this filing, GWCH informs the Commission that the company is not presently subject to the handset sale requirements of Section 20.19 of the Commission's rules.

If you have any questions, please contact the undersigned.

Respectfully submitted,

GREAT WESTERN CELLULAR HOLDINGS, L.L.C.
